

Testimonial

Date: Date

To whom it may concern,

I confirm that [Redacted] was employed by [Redacted] from Date to Date. He/She had held the following position: [Redacted]

In his/her most recent position, he had responsibility for designing and developing a XXX System with the company. The system designed is to streamline and automate process of scheduling appointments thereby increasing efficiency. [Redacted] brought forward good qualities on software engineering to design, develop and support the system. He/She showed good judgment and acted like a mature member of the project team. His/Her unconventional way of thinking helped the company to solve practical issues in the most efficient ways.

I would highly recommend [Redacted] as I consider him/her a model member of the team who provided consistency and delivered all expectations.

Yours faithfully,

[Redacted]
